Broome County STOP-DWI and United Health Services To Host Seminar on Drugged Driving

(Binghamton, NY) The Broome County STOP-DWI Program and United Health Services will host a seminar on “Drugged Driving” on December 20th from 8:00 a.m. to 12:30 p.m. at the Doctors Auditorium, Binghamton General Hospital, 10-42 Mitchell Avenue, Binghamton, New York. The “Drugged Driving” seminar is sponsored by the New York State STOP-DWI Foundation through funding from the Governor’s Traffic Safety Committee.

The seminar will focus on the “drugged” impaired driver – which presents a significant challenge to criminal justice and treatment professionals alike. Substance abuse counselors, probation and parole officers and mental health professionals are encouraged to attend.

Registration forms are available at www.bcstopdwi.com or by calling Broome County STOP-DWI at 607-778-2056. The seminar is free to attend. The deadline to register is December 13th.
